FLOWTREND

---

Flowtrend, Inc. hereby certifies that all materials and articles intended to come into contact with food meet the requirements established in the following European Parliament and of the Council and Commission Regulations (EU):

*Regulation (EC) No. 1935/2004 - On materials and articles intended to come into contact with food.*

*Regulation (EC) No. 10/2011 - On plastic materials and articles intended to come into contact with food.*

*Regulation (EC) No. 2023/2006 - Good manufacturing practice for materials and articles intended to come into contact with food.*

*Regulation (EC) No. 84/500/EEC - relating to ceramic articles intended to come into contact with foodstuffs.*

This certification is based on 1) a material quality control program that includes both pedigree documentation traceability to approved materials and random testing of all materials that are processed and packaged by Flowtrend to ensure that they are as specified, and 2) Certification to ISO 9001.
